Finance Experience

Wealth Management Intern, ATON Financial (\$600M+ AUM), San Juan, PR

May–Sep 2026

- Authored the firm's bilingual (English/Spanish) Client Services Operations Guide, standardizing client service procedures firm-wide.
- Built the candidate evaluation matrix used to hire new client services staff for the firm.
- Supported the Chief Compliance Officer with Investment Advisers Act of 1940 documentation and built internal recordkeeping workflow tools.
- Supported client financial planning in eMoney Advisor and designed eMoney training modules in the eMoney Learning Center for staff onboarding.
- Prepared client and internal presentations and maintained client data in Salesforce and eMoney.
- Joined the Founder, CIO, and wealth advisors in a meeting with a Goldman Sachs Vice President to strengthen the firms' relationship.
- Supported wealth and risk management operations after Risk Management Services merged into ATON.

Wealth Management Intern, ATON Financial, San Juan, PR

Summer 2025

- Assisted advisors with portfolio reviews, asset allocation, and risk-return assessments.
- Prepared client presentations with investment recommendations and market outlooks.
- Researched equities, bonds, and mutual funds to support client strategies.

Risk Management Intern, Risk Management Services, San Juan, PR

Summer 2025

- Supported risk assessments for commercial and personal insurance policies.
- Evaluated client exposure and prepared reports for underwriting and compliance.

Assistantship & Shadowing Intern, BPPR Popular Securities, San Juan, PR

Summer 2024

- Observed a Bloomberg administrator managing over \$9 billion in assets execute trades and negotiate prices via phone and Bloomberg Terminal chat.
- Completed a mock Securities Industry Essentials (SIE) exam with a high score.

Shadowing Intern, UBS, San Juan, PR

Summer 2022

- Interviewed and networked with staff across departments to understand firm operations.

Projects

Equity Research: Costco (COST), FIN 370, Bryant University

Spring 2026

- Built a DCF-based valuation as part of a six-analyst Consumer Staples Retail team; issued a Hold with a -14% implied return.

Wealth Management Portfolio Planner, Personal Project

Spring 2026

- Built a goal-based wealth planning application with risk-tolerance profiling, asset allocation, and household views across multiple accounts.
- Implemented Monte Carlo projections, a 98-year historical back-test, stress testing, and tax-lot tracking by account type.

Employment

Insurance Auditor, Luciano Insurance, Guaynabo, PR

Summer 2025

- Conducted insurance audits ensuring compliance and accuracy of client policies.
- Evaluated claim histories, detected discrepancies, and recommended adjustments.
